

Hockey walks round
chair, does it in
various angles,
floorboards too

That's okay, it
still a chair,

someone's fancy
of it, but
besides the yahoos
saying they / s
it olds it do

As well, where
does the hatred

begin among
the others

The beginning in the
to end "focus"
crowd, their
score almost is
easily earned.

We go beyond
bounds and they
still have a word
for us
and that's good.
Their certainty
about such
matters will

delay your
execution

And you
might die
beforehand
which is
good thing for
most of us

but esp those
dealers in

who, the
easiest to
catch up with
